

Why WolfTrack 6.0?

- **Need to check if the job description matches your profile? We got you!**

Wolf Track 6.0 has an **analyze resume** feature that allows you to copy the job description of the targeted company and check the percentage match of how suitable your profile is for that job.

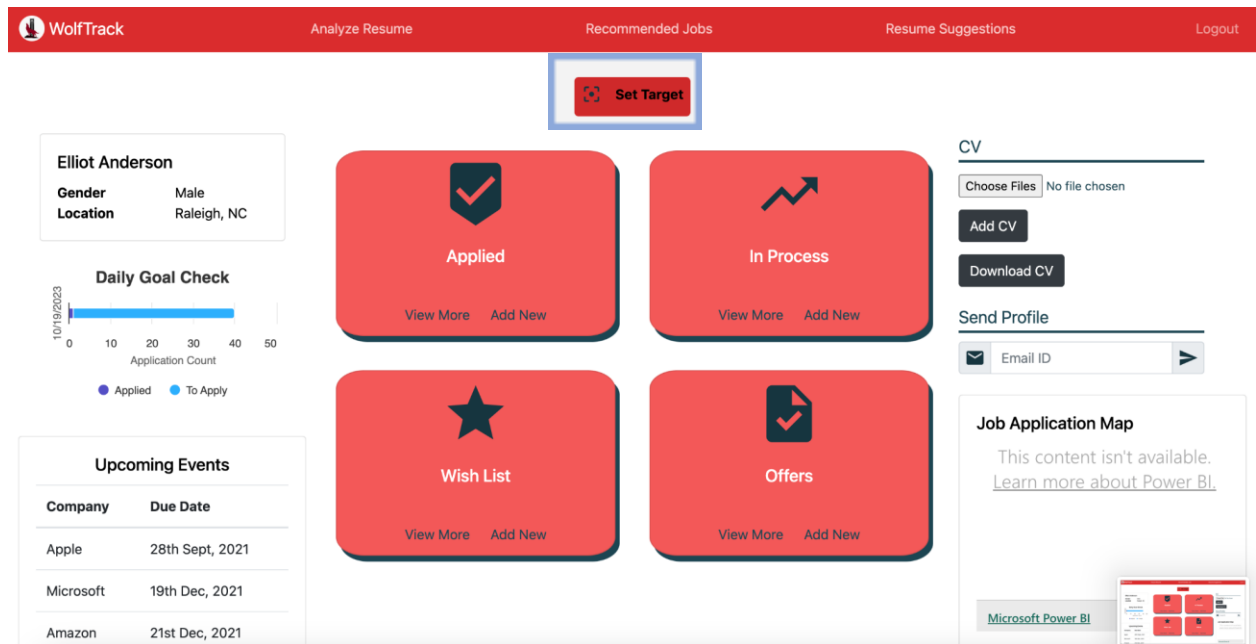

Qualifications

- To be considered for either the Overview or Specialized internship, the student's academic advisor or professor must provide a written recommendation
- The internship must be a requirement for the student's degree program
- Must be currently enrolled at either a four- year accredited institution of higher education, advanced undergraduate program, or graduate program and must be majoring in a criminal justice, criminology, or related field with the intention of joining the Daleish Police Department upon completion of

[Analyze](#)

- **Do you have a target in the count of applications to be applied in a day and need the motivation to achieve your daily target?**

Wolf Track 6.0 has a feature Set Target which allows you to set the count of jobs that you are targeting to apply every day. A data visualization is available on the home page that gives a statistic of the number of jobs applied VS the number of jobs to apply to reach the daily target.

- **Need a backup of your latest resume? WolfTrack 6.0 has got you!**

It's okay if you do not have the backup of your latest resume in your email. WolfTrack 6.0 has a download button that downloads the latest resume added to the application.
